## **Zeiser GmbH: sale of the Serialisation/Track & Trace Software segment completed**

**Zurich/Paderborn (DE), May 27, 2019** – The Serialisation/Track & Trace Software segment which was initially retained by Zeiser GmbH in the context of the company's strategic reorientation in May 2018 has been sold on May 24, 2019 to the CMH Group, i.e. its majority shareholder Silver Investment Partners GmbH & Co. KG, based in Königstein/D. This concludes the final stage in the spin-off of the non-strategic activities of the Zeiser Division. This transaction ensures the long-term integration of the segment's workforce and technology in the strong corporate organisation of the CMH Group. The parties to this transaction have agreed not to disclose the purchase price.
